

THE RED NOSE INTENSIVE 2026

RULES OF ENGAGEMENT

LEARNING CONTINUUM

The training is a **learning continuum**. It is not possible to attend in parts, or to miss any session. Every step of the process is fundamental and leads into the next one. To maximize the learning process for both the individual and the group everyone is required to be physically present at all times.

Classes will start on time and end on time. Participants are required to be on time and to not leave before the official end of the class.

EMBODIMENT

The work can be physically challenging. Participants are required to remain engaged. Participants are always responsible for working to their own level of fitness as well as communicating and adjusting for any pre-existing injuries or physical conditions.

PERSONAL EMOTIONS

You are maybe used to a teaching style or an academic setting where the student is allowed to disengage or interrupt their work at any moment in order to regulate with their emotions. This is not how we work.

Emotions, both personal and transpersonal, will arise during the work.

In the Somatic Clown Process they are a core part of the clown state.

The emotions that may emerge during the work belong to the work and they are a fundamental source of presence and poetic inspirations both for the individual and for the group. As the teacher in this process, Giovanni will check in and offer support to assist the participant to remain playfully engaged in the work while being in contact with their experience. But it is not possible to leave the studio, to take a break, have a moment, take a pause or miss any of the classes.

The Clown State constantly provides an invitation to play and to engage in ANY emotional territory. The Red Nose is an extremely powerful ally.

If you need a different setting for your emotional self-regulation, please think carefully before applying.

If you have any specific emotional needs and/or psychological conditions that require specific attention please address this in your motivation letter so you can discuss with Giovanni if and how to engage together in this class.

INTERRUPTIONS TO THE PROCESS

Any personal emotional states that significantly pull a participant out of or away from the work will be addressed with the teacher and will be processed through play, which is the fundamental skill and responsibility of the actor. Emotional self-responsibility and accountability is paramount to maintaining and nurturing our professional training space.

It is part of the skills of the theatre artist to work and play with and through different emotional landscapes while remaining engaged and in contact: with the theatrical space, with the group and with the teacher.

If a participant decides to enter into patterns of behaviour that are destructive against oneself, the group, the teacher, or the theatre learning process and they refuse to take responsibility for them within the context and purpose of the training, they may be asked to leave. Destructive patterns include physical, emotional, psychological or interpersonal events. A refusal to take personal responsibility for such events will not be tolerated. If a participant is told to leave a pro-rata amount, based on the number of days of attendance, will be refunded.

CANCELLATION & REFUND POLICY

Before sending your deposit/tuition, please make sure **you have read and fully understood our cancellation and refund policy.**

The **DEPOSIT** Is the confirmation of enrolment - a mutual commitment of the parties. The student commits to take part in the training and we reserve their place. Our cancellation policy recognizes the different needs of both parties (student and teacher) of the registration process. We are aware that unexpected life events can happen and plans need to be changed, and at the same time, cancellations involve a variety of practical and financial issues on our end.

- Once paid your deposit is strictly non-refundable.
- The deposit needs to be sent within one week from the reception of the confirmation email that offers you a spot in the training.
- If the confirmation deposit is not sent by this deadline, and no explanations are given, your spot in the training will be cancelled.

CANCELLATION

- Notice of cancellation from the participant must be made in writing and sent via e-mail to Giovanni.
- In all cases of cancellation, the entire deposit will be forfeited.
- The balance of the tuition needs to be sent by August 1st
- If the balance of the tuition is not sent by August 1st, and no explanations are given, your spot in the training will be cancelled and the deposit will be forfeited.
- If the written cancellation notice is received on or before August 1st, we will retain the deposit and we will issue a refund of the rest of the amount paid for the training.
- If the written cancellation notice is received after August 1st, we will retain the deposit, and all other payments will be refunded only if the empty spot is filled by a new participant. Otherwise the remaining part of the paid tuition will be forfeited.

- In case of cancellation due to health reason or life events independent from one's own will, and if the spot is not filled by another participant, the paid tuition (minus the deposit) will not be refunded but will be available as a voucher for future training.
- In the event of failure to notify in writing, a "no show" or written notification received on or after the beginning date of the training, the entire payment will be forfeited.
- If the registered party attends the training and leaves for any reason prior to completion of the training, the deposit plus the totality of the paid tuition will be forfeited.

CANCELLATION OF THE TRAINING

If, once the training has started, it needs to be interrupted *for reasons of force majeure*, a pro-rata amount, based on the number of days of attendance, will be refunded. In this unfortunate scenario, no travel expenses, or accommodation expenses already paid by the participants will be refunded.
